2. Procedure

Restricted International tender

3. Programme

Facility for Euro-Mediterranean Investment and Partnership (FEMIP)

4. Financing

European Neighbourhood and Partnership Instrument

5. Contracting Authority

European Investment Bank, 98-100, boulevard Konrad Adenauer L-2950, Luxembourg.

6. Nature of contract

Global price and fee based

7. Contract description

The overall objective of this technical assistance operation is to assist the Palestinian Authority (PWA) in the implementation of a seawater osmosis (SWRO) 55 million m³ desalination plant through selecting the EPC contractor and O&M contractors. This includes the preparatory work, additional studies and concept design for the plant. This assignment (Phase A - Design and Tendering Services) thus covers the following main activities: (i) preparatory works and conceptual design; (ii) support for the procurement of the EPC contractor; and (iii) support for the procurement of the O&M contractor. In addition to the above, the consultant is expected to ensure cooperation with the related projects and, generally, to support PWA in carrying out its duties and responsibilities in relation to the project.

8. Indicative budget

4000 000 EUR

9. Intended timing of publication of the procurement notice

January 2013

10. Additional information

None.

11. Legal basis

Regulation (EC) no. 1638/2006 of the European Parliament and of the Council of 24 October 2006 laying down general provisions establishing a European Neighbourhood and Partnership Instrument.

Remarks:

There must be a minimum period of 30 calendar days between the publication of this contract forecast and the publication of the corresponding procurement notice.

No applications or requests for information should be sent at this stage.
